The Secret to Financial
Security

We are in a Battle for
our hearts

“...our need for security has led us into an insane attachment to things. We really must understand that the lust for affluence in contemporary society is psychotic. It is psychotic because it has lost touch with reality. We crave things we neither need nor enjoy. We buy things we do not want to impress people we do not like... We are made to feel ashamed to wear clothes or drive cars until they are worn out. The mass media have convinced us that to be out of step with fashion is to be out of step with reality. **It is time we awaken to the fact that conformity to a sick society is to be sick.** Until we see how unbalanced our culture has become at this point, **we will not be able to deal with the mammon spirit within ourselves...**”

our hearts

Philippians 4:10-13

¹⁰ I rejoiced greatly in the Lord that at last you renewed your concern for me. Indeed, you were concerned, but you had no opportunity to show it. ¹¹ I am not saying this because I am in need, for I have learned to be content whatever the circumstances. ¹² I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. ¹³ I can do all this through him who gives me strength.
